PicoPix

Project your life

PicoPix pocket projector

This brilliant little companion is the ultimate device for on-the-go. Equipped with HDMI, USB and micro SD slot it's never been so easy to project videos and pictures. Even better, the PPX 4350 Wireless supports screen mirroring (Miracast compatible) through a Wi-Fi dongle – no cable necessary to share the latest vacation pictures right from the smartphone. With the integrated media player and the Bluetooth audio function the PicoPix can be connected to Bluetooth speakers, which makes this pocket projector a mobile cinema, no matter where you are.

Wireless connectivity

- Bluetooth function and Wi-Fi dongle for screen mirroring (Miracast compatible)

Excellent image quality

- WavEngine with LED technology surprises by crystal clear pictures in brilliant colors
Project HD videos and images up to 60" (152 cm) in size

High usability

- HDMI interface, micro SD slot, integrated media player & support of MHL for mobile devices like smartphones and tablets

USBQuickLink

- USB plug & socket for power and to play videos directly from your USB-Stick
